Why Plymouth College?

Plymouth College is one of the South West's leading independent schools located in close proximity to Dartmoor and the most beautiful coastal landscapes of Devon and Cornwall.

All of the residential accommodation, sports and recreational facilities are available for hire during the school holiday periods where you will be looked after by a team of support staff.

"The welcome that the group received was outstanding... the food and accommodation were comendable and what was really heart-warming was the continuous support and consideration from all the Plymouth College staff"
